Dear Mr. Jasinski:

Enclosed are courtesy copies of two subpoenas which were sent by certified mail to the respondent in the attached case, ordering the production of documents and testimony relevant to this Branch's investigation into potential contempt of court in the above-numbered case.

I expect to be in the greater New York metro area on the weekend of February 29-March 1, and accordingly have scheduled the deposition for February 28. It is possible that it could be moved to another date that week, depending on availability of whomever the company chooses to designate as witness and also on my having adequate time to review whatever correspondence the company produces in response to the subpoena for records. However, I am unavailable the following week.

Accordingly, please let me know, by not later than February 14, your client's preferred date. I will tweak the arrangements accordingly.
